--	--

Part V – Account Ownership and Compliance Declaration

I hereby declare and confirm that:

- 1 The account specified above belongs to me, my company or an entity lawfully controlled by me, unless otherwise disclosed above;
- 2 I am authorised to use and control the account;
- 3 The account is not associated with any sanctioned person, terrorist organisation, darknet market, mixer, scam, fraud, ransomware activity or other unlawful activity;
- 4 I will provide additional account ownership verification and supporting documents upon request;
- 5 Montezy GmbH may conduct sanctions screening, transaction monitoring, blockchain analytics (where applicable) and enhanced due diligence in relation to this request;
- 6 Montezy GmbH may reject, delay, suspend, freeze or report the transaction where required by applicable law, sanctions obligations, AML/CTF requirements, regulatory requests or its internal compliance policies.

Part VI – Client Authorisation

- 1 I hereby irrevocably request and authorise Montezy GmbH to complete the settlement specified in this form using the settlement details and account information provided above.
- 2 Where digital assets are involved, I acknowledge that blockchain transactions are generally irreversible and that I am solely responsible for the accuracy and completeness of the account information, wallet address, blockchain network and other information provided.
- 3 Any settlement completed in accordance with the information in this form shall be deemed properly executed, and Montezy GmbH shall not be responsible for any loss arising from incorrect, incomplete or inaccurate information provided by me.
